

We are committed to customer service based, to meet customer needs, to help customers reduce costs, and to provide the best quality products, excellent service and competitive prices. Zibo Toposi International Trade Co., Ltd. is located in Zibo City, Shandong Province, is a professional production of sublimation cup manufacturers. We have been engaged in sublimation cup production for 10 years, in the past 9 years, we have been supplying sublimation cups for domestic trading companies, we have not directly exported sublimation cups, in order to export products directly, we established Zibo Topus International Trade Co., LTD in 2022, we are a factory trade integration company. At present, it has two production workshops (ceramic cup production workshop and sublimation coating processing workshop), more than 20 sets of ceramic cup production equipment, 3 sublimation spray lines, 120 employees, and has a perfect quality control process. In the production process, the four factors that affect the quality of products, including personnel, equipment, raw materials and workshop environment, are strictly controlled, and run through every production link. The product quality reaches the international standard.

We are committed to customer service based, to meet customer needs, to help customers reduce costs, and to provide the best quality products, excellent service and competitive prices.
